Painter Professional Airless Applications

CLASSIC 390 PC - Classic 390 PC Cordless - CLASSIC S 395 PC - CLASSIC S 495 PC

FINISH EVERY JOB, EVERY DAY

The next generation of **CLASSIC** sprayers have now been upgraded with ProConnect™. This fast and easy on-the-job pump replacement system, makes the most reliable small electric units even more valuable.

Proven Endurance™ pump technology on all **CLASSIC** models, makes it perfect for professionals who frequently spray a wide range of interior coatings.

The **CLASSIC 390 PC** with brush motor is a solid workhorse built for professionals just “starting out”. It’s the ideal sprayer for residential jobs.

The **CLASSIC 390 PC CORDLESS** with brushless motor gives you battery powered performance you can count on. This sprayer is the ideal fit for contractors looking for unmatched portability to spray anywhere.

The **CLASSIC^S 395/495** are the best choice for professionals looking for superior performance, control and extra comfort for daily use on residential jobs.

The **CLASSIC^S** feature the FTX™-E gun, variable speed motor and SmartControl™ 1.0, with electronic control for a consistent spray pattern at every pressure.

All Hi-Boy **CLASSIC** models are configured with a multifunctional cart version, offering pneumatic wheels, direct suction, a kick back, hose wrap and a convenient toolbox as a premium.

CLASSIC^S Comfortable Carrying
Offset handle with rubber comfort grip balances sprayer away from leg

Features

Swivel Inlet Suction Hose

- All aluminium construction is durable, lightweight and rust proof
- No-tools removal of hose for cleaning or accessing inlet ball
- Easily swivels to reach paint buckets or cans

CLASSIC Frame

- Stands upright so it won't tip paint can over
- Attached big cup holds the inlet during transport to catch drips

Variable Pressure Control

(only CLASSIC 390 models)
Position indicator allows repeatable setting while spraying light-to heavier materials

GOOD TO KNOW EXTEND YOUR REACH!

JetRoller™

The ideal renovation tool

Extend your sprayer with the JetRoller and minimize application time when combining rolling and spraying into one operation. Uses commonly available 18 or 25 cm roller covers.

Benefits:

- Reduces overspray
- Eliminates reaching
- Eliminates climbing and continually reaching up and down
- Complete large jobs in half the time of traditional methods

Kit includes a lightweight detachable roller frame, 50 cm extension, CleanShot™ Shut-Off™ valve, Inline™ gun, spray tip and guard.

Easy-Out™ Pump Filter

- Large filtering area reduces tip clogs and ensures a quality finish
- Inside out filter design filters won't collapse and cleans with only a few liters
- Vertical filter design removes simply with the cap, eliminates spill

SMARTCONTROL™

SmartControl™ 1.0

With variable speed control delivers consistent spray pressure.

Features

PRO CONNECT

Semi-Pneumatic Wheels

Roll easily over rough terrain

Hi-Boy Exclusive Features

- Thick chrome over steel to withstand rugged environments
- Retractable handle doubles as a hose wrap for simple removal of coiled hose
- Comfortable inlet suction allows direct suction out of up to 30 liter buckets
- TiltBack™ easily allows one man bucket change and on board toolbox

Corded or Cordless - You Choose.

The most powerful cordless sprayer ever built
Delivers the freedom to spray every job faster

THE SOLID CORDLESS WORKHORSE

CLASSIC 390 PC cordless includes all CLASSIC 390 PC corded features plus:

ULTIMATE POWER AND PORTABILITY

Powered By DEWALT

- High capacity 6ah 54 V FlexVolt batteries –spray up to 11.5 liters per battery charge
- Delivered complete with two batteries
- Fan-cooled fast charger—recharges battery in under 60 minutes

PROVEN PERFORMANCE AND EXTENDED BATTERY LIFE

Brushless DC Motor

- Powerful brushless DC motor provides extended battery run time
- Lightweight, compact design allows for increased portability
- Spray at lower pressure thanks to the RAC X™ Low Pressure (LP) Switchtip™ for extended battery runtime, less overspray, longest tip life

YOU CHOOSE YOUR POWER SOURCE!

BOTH Deliver Superior Performance
BOTH Spray the Same Materials and Applications

www.graco.com/cordless

Hopper

A convenient 5.7 liter hopper, compatible with all units.

Exchange your pump easily **YOURSELF** in 3 steps in case any damage appears.

No more time wasted or money lost to labour charges on pump repairs.

ABOUT GRACO

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.

ABOUT AEMCO

AEMCO was established in 2007 as an organization focused to increase professionalism and productivity in the arena of coating and surface preparation across the Kingdom of Saudi Arabia. Latest trends and technologies in coating industry were made available from AEMCO to our professional end users to achieve quality results and satisfaction. We started our operations in Riyadh and expanded to Central, Eastern, Western and Northern Region of the Kingdom.

نبذة عن الشركة:
